CHARACTER GUIDE

Characters within a food group share the same basic attacks, but everyone has unique special moves

CARBS

noodle&rice

Longest reach with WHIP  allowing them to control space.

Simple Combo   

SOUP  

Punch the ground, press  again to serve a bowl of soup.

FRENZY  

Wrap yourself in armor, then flail your arms around.

SWAT 

Swat opponents of the sky, then press  to fling them behind.

TELEPORT  

Teleport to safety.

MEATS

beef&pork

Well balanced with good range and good damage.

Simple Combo   

LEMON 

Toss a tasty fruit.

FLEX  

FLEX your muscles. Can parry attacks.

CABER TOSS 

An unblockable throw that tosses your opponent up in the air for a combo.

CHOP  

An armored CHOP that's great for anti-airs.

SPICES

onion&garlic

Fast but short range. Scary if they can get close.

Simple Combo   

HOPKICK 

Lunge at your opponent with a strong kick. You can RAPID to continue the combo.

FEINT  

Can parry attacks.

DASH 

Dash towards your opponent. Press a button mid-dash to do a dash attack.

BACKFLIP  

An invulnerable flip to escape dangerous situations.
