# CHARACTER GUIDE

Characters within a food group share the same basic attacks, but everyone has unique special moves

## CARBS

### noodle&rice

Longest reach with WHIP  allowing them to control space.

**Safe Combo**

**Punish Combo**

### SOUP

Punch the ground, press  again to serve a bowl of soup.

### FRENZY

Wrap yourself in armor, then flail your arms around.

### SWAT

Swat opponents out of the sky.

### TELEPORT

Teleport to safety.

## MEATS

### beef&pork

Well balanced with good range and good damage.

**Safe Combo**

**Punish Combo**

### LEMON

Roll a tasty fruit along the ground.

### FLEX

Flex your muscles to parry an attack.

### CABER TOSS

Run forward to grab your opponent and throw them up in the air for a combo.

### CHOP

An armored CHOP that's great for anti-airs.

## SPICES

### onion&garlic

Fast but short range. Scary if they can get close.

**Safe Combo**

**Punish Combo**

### HOPKICK

Lunge at your opponent with a strong kick. You can RAPID to continue the combo.

### FEINT

Act cool to parry an attack.

### DASH

Dash towards your opponent. Press a button mid-dash to do a dash attack.

### BACKFLIP

An invulnerable flip to escape dangerous situations.
